Dear Sir,

RE : LETTER OF ACKNOWLEDGEMENT AND APPRECIATION

We write to inform that Mr. Mohd Mazlan bin Che Mat has successfully conducted Value Engineering (V.E) Workshop as stated below

Name of VE Workshop : **Proposed Design and Build, East – West Highway (Phase II) and Kupang – Gerik (Phase IV) , Perak Darul Ridzuan.**

Date : 19 – 21 October 1999

Venue : Banding Island Resort, Gerik, Perak Darul Ridzuan

The workshop had achieved the desired results and managed to save substantial amount of allocation from the original project cost. A more acceptable and efficient design was established and also fulfilling the environmental and safety requirements.

The Value Management methodology is a very useful and effective technique to be adopted in planning and implementing road and highway projects.

Thank you.

Dear Sir,

COMPLETION OF THE VALUE MANAGEMENT EXERCISE TO ASSIST UIA NEW CAMPUS PROJECT IN GOMBAK

My gratitude for your participation in the above held exercise on 20th August 1996 whereby the Final Report was finalised and submitted. Your contribution has been a tremendous boost to UTM's image and foster a great deal of good will with UIA.

Due to our contribution UTM was awarded the Waste Management and EIA Studies by UIA . We stand a good chance for more consultancy work for their new Science and Medical campus in Kuantan.

Thank you again for your kind support.

Yours sincerely,
